## Invite New Members and Qualify For Service Grants

*You know that increasing, retaining and engaging your members is the key to a healthy club and impactful service. With the right resources, your club can celebrate new members and current members while engaging in meaningful service in your community. That's why we're offering you a special opportunity to receive a service grant when you add new members in April.*

*Here's how the service grants work:*

**Add new members in April** – Clubs will have an opportunity to receive a special grant for new Lions who are reported during April 2019.

**Apply for a grant** – Clubs can apply for a Service Grant for New Members, which awards a total of US\$35 for each new member in two equal installments on December 31, 2019 and June 30, 2020 club statements if new members stay active.

**Engage new members** – Funds should be used to plan activities that engage new members in service so they have a great onboarding experience in your club.

*These service grants will allow you to invest directly in your new members so you can make their first year a memorable one. Don't miss this incredible opportunity to grow your club's impact by inviting new members in April and inspiring a lifetime of service.*
