## President's Letter

Hello Lion Club Members,

I hope everyone had a great Thanksgiving even though it was probably not the same type of celebration that you are used to.

For the most part due to COVID we have still yet to be active as a club and I am really hoping sometime soon we will be able to move on from this and finally move forward.

I know I have mentioned this a few times and do not want to sound like a broken record but please keep brainstorming for ideas that could be potential fundraisers for the club this upcoming Spring! No idea is a dumb idea so if you have one let me know!

Lastly, I hope everyone has a wonderful Christmas and Holiday season and also a Happy New Year!

**Lion Bill Davies, President**

Lion President

This is an abbreviated issue of the Crystal Lake Lions Pride. Due to state regulations many of the Club's scheduled events may have to be cancelled or changed. We will do our best to keep all Crystal Lake Lions up to date. Please do your best to attend when you can and help the Club in this difficult time. Remember **WE SERVE!**

## Keep Up Your Lions Contacts!

The Crystal Lake Lions Club is still in existence and still serving the community. Despite the lack of regular Club meetings there is still activity in Lionism. The Board has met regularly and will continue to do so during this pandemic.

Please keep contact with your fellow Crystal Lake Lions. Check up on them, on their health and welfare, and do what you can to keep a strong feeling of fellowship amongst the Crystal Lake Lions.

If you can't find the email addresses for Crystal Lake Lions, check on the website. If you've forgotten the password to access Club information on the Club website (see URL in box on left side of this page), contact Lion Doug Lomen at [dlo-men@ameritech.net](mailto:dlo-men@ameritech.net) or call him at (815) 382-2435(cell). He will be happy to give you the password.

Make it a point to contact two or three of your fellow Crystal Lake Lions each week. If you find out something interesting, pass it on to me and I'll see to it that it is circulated to all Crystal Lake Lions. ([landon@mc.net](mailto:landon@mc.net)). For example, one of our Lions will be running for a local office this spring. Who is it? And what office is he running for? As soon as I'm told by any Crystal Lake Lion, other than the one running for office, I will pass that information on to the entire Club.

Some possible questions you may ask fellow Lions: Have you or your family suffered from the Coronavirus? Have you changed jobs? Have you received any awards or recognition? Are you involved in any special activity?
