President's Letter

Hello Lion Club Member's,

I wanted to start off by saying how wonderful it was to see everyone who came out for the last meeting that was held at the Village Squire. In attendance I believe we had around 25 Lion members which was truly amazing and a good sign that we are finally starting to move in the right direction. During this meeting we had discussed a few different topics such as Sight and Sound, The Golf Outing and the upcoming Memorial Day Parade.

As of this weekend (May 1st) the Annual Sight and Sound Fundraiser has officially ended. I wanted to say thank you to the Lion's who participated it was much appreciated. I also understand with everything going on that this was a harder year to get these out and sold so next year lets look to beat this one!

The Annual Golf Outing will be taking place on Monday June 7th at Boone Creek in McHenry like the years previous. If you or someone you know is interested in golfing or volunteering, please contact Lion Dave Moore who is the chairmen for this event. I also know besides looking for volunteers to help run the outing that sponsors are still needed! So, if you know anyone or would like to donate yourself, please contact Lion Dave sooner than later because June will be here before we know it.

As of right now Crystal Lake is going to be doing the Memorial Day parade so, please keep an eye out in your emails for more information in regard's to this and what time we will need to meet.

Lastly on Saturday May 15th we are going to be holding a board meeting at Lion Randy Funk's house around 10am. At the board meeting I plan on discussing the following items: 4th of July Parade, Club's 90th Anniversary, Sign on route 14 and the possibility of having an instillation dinner.

I hope that everyone continues to be well and can get out and enjoy the nice weather!

Lion President
