Congratulations to Lions and Leos for breaking a new service record — serving 495 million people around the world through more than 1.4 million service activities in 2021-2022!

Lions stand for peace and understanding, and we unite through kindness to serve those in need. Your donation to LCIF's Refugees and Displaced Persons fund will help ensure that Lions are there to help them find the safety and security they desperately need.

By uniting our organization's service around five global cause areas — diabetes, vision, hunger, the environment and childhood cancer — we're making a greater impact, overcoming the challenges we see in our communities around the world.
